CapCoast Junior Netball Carnival

2025 CAPRICORN COAST NETBALL JUNIOR CARNIVAL

Acknowledgement of Country

We acknowledge and pay respect to the Darumbal people as the original and ongoing owners and custodians of the land upon which Capricorn Coast Netball Association, is built. We call on the Spirit Ancestors to walk with us as we share and learn together. We pay our respects to the elders past, present, and emerging. We celebrate their continuing culture and commit ourselves to actively work alongside First Nations people for reconciliation and justice.

From the President

A very warm welcome to all players, officials and families to the 2025 Cap Coast Junior Cup, this year we have 167 teams participating in our carnival across Central Queensland. This year CCNA has partnered with the local businesses to bring to you all a whole carnival experience, from rides, market stalls, street food vans and all exciting presenters for our presentations. This year we are excited to have Tippah Dwan – Queensland Firebirds Shooter visiting on Sunday from lunchtime – watch our socials for more information.

All the information that you require for the weekend, can be found in this booklet. If you have any general enquiries or problems, please see one of the admin staff or me at the office. We will endeavour to resolve any issues as quickly as possible. The committees' decision is final regarding any disputes.

The Capricorn Coast Netball Association would like to thank all teams for participating and wishes you all an enjoyable weekend and a safe trip home.

Thanking You

Tanya Burnett
President CCNA

CARNIVAL RULES

1. Nomination fee is non-refundable.
2. Teams may nominate no more than twelve (12) players and no less than seven (7) players in any one team.
3. Awards will be given to the winners and runners up of each division. All teams competing in the 8/u division will all receive a participation medallion (No Winners or Runners up). See draw for presentation times.
4. There are no MVPs awards.
5. All games will be using the Netball Connect Livescoring – Teams will need to assign a scorer for each game, scorers to sit together and score entire game. The HOME Team Manager/scorer (team listed first on the draw) will be responsible for scoring on their own device using LiveScoring (NetballConnect). The second team listed will need to sit with the person scoring and there is no disputes being entered into if each scorer does not sit together during the match.
6. Each court will have a red bucket – Match ball, clipboard, pens, scoresheet (as a backup to live scoring if needed).
7. All rules are as per the Official Rule Book of the All Australian Netball Association.
8. Boys under the age of 18 years are allowed to play, with no restrictions on where they are allowed to play on the court.
9. Players, coaches, parents and officials are asked to abide by the codes of conduct. Please show all players, coaches and officials the respect and encouragement they deserve.
10. Games will consist of two **six minute halves** with 1 minute break for half time and 2 minutes for change over. The games will be centrally timed, time lost for injury or illness will not be played.
11. Captains shall toss for the choice of centre pass or goal end. Captains are to notify the umpires of the result and place their teams in position on court ready for the commencement of play.
12. If there is a tie-on points at the conclusion of the competition, the winners for that division shall be worked out on the goals for and against formula. (Goals for divided by goals against multiplied by 100 divided by the actual amount of games played)
13. Due to the number of nominations in some age groups, they have been split into Pools. There will be no finals or play-offs. Trophies will be awarded to the Winner and Runner Up in each pool.
14. First Aide - Injury Ice is available at the first aid tent (Vector Health), not the canteen. Only Capricorn Coast Netball officials/Vector Health are to call for an ambulance and to advise safe entry to the venue. This is important to ensure multiple ambulances are not called for the same incident. This is for all players and spectator safety.
15. CCNA will be playing rolling substitutions for th Cap Coast Carnival:
 - a. Teams will be allowed to make substitutions during play, this includes during stoppages and intervals. There is no limit to the number of substitutions that can be made, and more than one substitution may be made at any time. Play will not be held up for substitutions.
 - b. The substitutions zone will be marked out on the Court in front of the teams bench area. Substitutions must occur in front of the team bench, on the sideline.
 - c. The incoming player must wait until the player being replaced exits the court before entering the field of play.
 - d. Players must observe the offside rules when entering the court. Failure to do so will result in a sanction in line with Rules of Netball 2020 rule 9.7 offside with the free pass awarded where the ball was at the time of the infringement or at the point of the infringement which ever favours the non-infringing team.
