Finals Processes and Procedures:

All matches will be live scoring using the Netball Connect app (courtside timing), all games will have extra time embedded into netball connect app and if needed will be activated if a game is a draw.

A committee member will help facilitate the extra time which will be 2 x 5min halves with a 1 min break. Rolling subs continue into extra time.

The team listed first will have the live scoring on their device but both scorers are to stand/sit together to score.

Players can only play in their registered teams, playing up needs to be approved by management prior to taking the court at the office.

If a game is prior to your scheduled game is in extra time, your game will be moved to a free court to allow for your game to start on time.

All umpires need to sign in at least 15 mins prior to your duty including the reserve umpires.

Umpire and scorers meeting will occur 15 mins prior at the clubhouse.
